

LAFAYETTE, Indiana-May 17, 2016 PAWS Support Network invites the public to celebrate its premier support event. On Friday, July 1st from 5:00 to 8:00pm, PAWS Support Network will be hosting a Decade of Dog Park Fun - an event celebrating the 10 years that Shamrock Dog Park has been a part of the Greater Lafayette community.

In addition to local rescues/shelters that will have dogs looking for their forever homes, local vendors will be there, goodie bags will be handed out, and there will be a raffle for special prizes.

In the Dog Park, kiddie pools will provide some relief for the dogs on a hot summer evening and we will provide an icy treat to all 2- and 4-legged attendees. Non-members of the Dog Park can enjoy the fun inside the fence with the purchase of a \$5 day pass. (Requirements for the day pass include 1 Paper proof of Rabies vaccination, 2. Dogs must be 4 months old, and 3. Children under 12 are not allowed inside the fenced area)

Come join the fun and help celebrate the beginning of the next 10 years for the Shamrock Dog Park.
